

Books that parents might find useful

We are providing learning from home resources each week on our website to keep children busy and enjoying learning, whilst also giving parents flexibility.

We know that some parents may like their children to also have some practice books to work through. If parents would like to buy any books to help children with their learning at home then we have prepared a list of books that you can buy online from Amazon and have delivered to your home. These books are just optional extras if parents would like to buy. We are not asking all parents to buy these as we are already providing plenty of learning from home resources for free on our website.
