Go, shine in the world and live as Jesus lived, with compassion, honesty and integrity. ★

Dear Parents and carers,

We are pleased that from Monday 29th June, we will have now been able to welcome back all children in all year groups whose parents requested a place. We will now reach our maximum of 15 children in most groups but do give us a call if you would still like to request a place for your child to return this term and we will discuss this with you.

To all of our families, please do get in touch with the school if you need to.

Best wishes from Mr Webb and Mrs Jackson

What to do if your child develops symptoms of coronavirus

If your child is displaying symptoms of coronavirus at home or is sent home by the Head of school with coronavirus symptoms, you must arrange a test for them immediately and inform the school of the result. Children displaying symptoms will not be able to return to school without being tested.

- 1) To arrange a test you should visit nhs.uk/ask-for-a-coronavirus-test
- 2) **DO NOT WAIT!** Your child should be tested on the same day they are showing symptoms, or the next day at the latest.
- 3) Please let the Head of School (Mr Webb) know immediately when you receive the result of your child's coronavirus test by calling the school office on **0207 372 6565**
- 4) If your child tests positive for coronavirus, you will receive a text, email or phone call from NHS that explains what your result is and what you need to do next.
- 5) If your child tests negative for coronavirus, your child can return to school.

The most important symptoms of coronavirus (COVID-19)

new and continuous cough

or

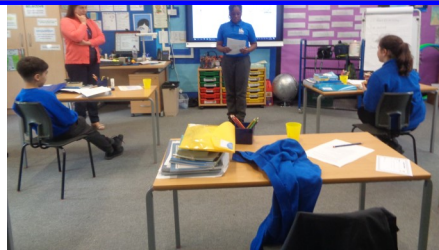

high temperature

or

loss of, or change in, your normal sense of taste or smell (anosmia)

Children who have already returned continue to enjoy their learning...

Zoom social calls—Keeping in touch with children at home

Teachers will be making Zoom calls to Reception, Year 1, Year 2, Year 4, Year 5 and Year 6 next week to say hello. It is important that children see their teachers and take part in these sessions. Teachers will be leading discussions and asking questions to keep children learning.

We would like to see all children still at home in these classes join in on Wednesday. We will send a text with further information on Tuesday. Please give the school a call if you need help with this.

Important dates for your diary.....

Year 2/3 - Saskia

Year 4/5 –Chloe

Year 6 A— Anbar-Lina

Year 6 B—Lana

Learning From Home...

We will continue to post Learning From Home on the school website every Monday. Some children will not be returning to school until September at the earliest so it is important for your child to continue learning if they are not in school. Please make sure that you are completing this every week if your child is not returning to school.

We love to see photos of children with their work and children love to see this on our school photo page. Please do send us photos by email to

admin@stmarykilburn.camden.sch.uk

Work of the Week...

Every week a fantastic piece of children's work is showcased in the school lobby (next to the office).

Nursery have been learning about dinosaurs this week.

Anaya used 2D shapes in maths to create a dinosaur. She made a beautiful picture of a dinosaur in a forest using both collage and printing techniques. She wrote some word cards about dinosaurs and also created a fossil using cotton buds.

Well done Anaya!

Our prayer...

The birth of John the Baptist is celebrated on June 24. The saint prepared for Jesus to come.

God, Father of us all.

Saint John the Baptist proclaimed the coming of Jesus and prepared the way for him.

Help us to tell others the good news about Jesus Christ and what that means to us.

May we too prepare the way of the Lord in our lives and in our world.

Amen
